I conducted the audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am independent of the entity in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to my audit of the financial statements in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my [qualified/adverse] opinion.

[Additional material may be inserted at the discretion of the RSE Auditor e.g. in relation to Material Uncertainty Related to Going Concern/Emphasis of Matter/Other Matter paragraphs or compliance with provisions of the trust's governing rules - so long as this in no way limits or detracts from the opinion expressed above.]

[The following section on Key Audit Matters (KAMs) is optional. It may be inserted at the discretion of the RSE Auditor.⁷]

Key Audit Matters⁸

Key audit matters are those matters that, in my professional judgement, were of most significance in my audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters.

In addition to the matter described in the *Material Uncertainty Related to Going Concern* section, we have determined the matter(s) described below to be the key audit matters to be communicated in our report. [Include this paragraph where a material uncertainty related to going concern has been included].

[RSE auditor to provide description of each key audit matter in accordance with ASA 701 *Communicating Key Audit Matters in the Independent Auditor's Report*.]

⁶ For Disclaimer of Opinion, replace this section with a paragraph that provides the reasons for the inability to obtain sufficient appropriate audit evidence.

⁷ Auditing Standard ASA 700 *Forming an Opinion and Reporting on a Financial Report*, paragraph A41.

⁸ For Disclaimer of Opinion, do not include a KAMs section. Refer Auditing Standard ASA 705 *Modifications to the Opinion in the Independent Auditor's Report*, paragraph 29.

Responsibilities of the [trustee / trustees] for the Financial Statements

The RSE's [trustee is / trustees are] responsible for the preparation and fair presentation of the financial statements in accordance with Australian Accounting Standards⁹ and the requirements of the *Superannuation Industry (Supervision) Act 1993* (SIS Act) and the *Superannuation Industry (Supervision) Regulations 1994* (SIS Regulations). The [trustee is / trustees are] also responsible for such internal control as the [trustee determines / trustees determine] is necessary to enable the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the [trustee is / trustees are] responsible for assessing the ability of the RSE to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the [trustee / trustees] either [intends / intend] to liquidate the RSE or to cease operations, or [has/have] no realistic alternative but to do so.¹⁰

Auditor's Responsibilities for the Audit of the Financial Statements¹¹

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Australian Auditing Standards, I exercised professional judgment and maintained professional scepticism throughout the audit. I also:

- identified and assessed the risks of material misstatement of the financial statements, whether due to fraud or error, designed and performed audit procedures responsive to those risks, and obtained audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

⁹ The Australian Accounting Standards issued by the Australian Accounting Standards Board.

¹⁰ Auditing Standard ASA 570 *Going Concern*, paragraph 2.

¹¹ For a Disclaimer of Opinion, replace this section with: "My responsibility is to conduct an audit of the financial statements in accordance with Australian Auditing Standards and to issue an auditor's report. However, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements, because of the matter described in the 'Basis for Disclaimer of Opinion' section of my report. I am independent of the RSE in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to my audit of the financial statements in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code."

- obtained an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the RSE’s internal control.
- evaluated the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the [trustee / trustees]
- concluded on the appropriateness of the [trustee’s / trustees’] use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the RSE’s ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my audit opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor’s report. However, future events or conditions may cause the RSE to cease to continue as a going concern.
- evaluated the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- communicated with the [trustee / trustees] regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identified during my audit.
- [obtained sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group¹² to express an opinion on the financial statements. I am responsible for the direction, supervision and performance of the Group audit. I remain solely responsible for my audit opinion.] (*)

(*) [Delete paragraph above if the audit report is not in relation to a Group]

From the matters communicated with the [trustee/trustees], I determined those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I described these matters in my report unless law or regulation precluded public disclosure about the matter or when, in extremely rare circumstances, I determined that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication. “My procedures with respect to SIS Regulation 6.17 included testing whether amounts identified by the trustee / trustees as preserved and restricted non-preserved have been cashed or transferred only in accordance with the requirements of Part 6 of the SIS Regulations. These procedures did not include testing of the calculation of the preserved and restricted non-preserved amounts beyond a broad assessment of the apparent reasonableness of the calculations.”]

In my opinion [*Qualified: except for the matter(s) referred to/Adverse: because of the significance of the matter discussed in the Basis for Qualified/Adverse Opinion section of my report*](*) the [trustee / trustees] of [insert name of the RSE] [*has/have*] [*Adverse: not*] complied, in all material respects with:

- a) The requirements of the applicable SIS Act and SIS Regulations, APRA reporting standards, Corporations Act and Corporations Regulations specified above for the [*year ended .../.../... [OR] period .../.../... to .../.../...*]; and
- b) The requirement to maintain [*an operational risk reserve / trustee capital / an operational risk reserve and trustee capital*](*) at the required target amount in accordance with its Operational Risk Financial Requirement (ORFR) strategy.³⁸

Basis for Opinion [Basis for Qualified Opinion / Basis for Disclaimer of Opinion³⁹/ Basis for Adverse Opinion](*)

(*) [*Include a description of the matter giving rise to the qualified/adverse opinion*]

I conducted the engagement in accordance with the Standard on Assurance Engagements ASAE 3100 *Compliance Engagements* issued by the Auditing and Assurance Standards Board.

I believe that the evidence obtained is sufficient and appropriate to provide a basis for my [*qualified/adverse*] opinion.

[Trustee's / Trustees'] responsibility for compliance

The RSE's [*trustee is / trustees are*] responsible for complying with the requirements of the SIS Act, SIS Regulations, APRA reporting standards, the Corporations Act and Corporations Regulations and the conditions of its RSE licence.

The RSE's [*trustee is / trustees are*] responsible for identifying, designing and implementing controls to enable compliance with the requirements of the SIS Act, SIS Regulations, APRA reporting standards, the Corporations Act and Corporations Regulations and the conditions of its RSE licence and to monitor ongoing compliance.

³⁸ For Disclaimer of Opinion, replace with: “I do not express an opinion on the [trustee's/ trustees'] compliance with the applicable provisions for the [*year ended .../.../... [OR] period .../.../... to .../.../...*], given the significance of the matter described in the ‘Basis for Disclaimer of Opinion’ section of my report.”

³⁹ For Disclaimer of Opinion, replace this section with a paragraph that provides the reasons for the inability to obtain sufficient appropriate evidence.

The [trustee is / trustees are] responsible, under *Prudential Standard SPS 114 Operational Risk Financial Requirement* (SPS 114), for maintaining financial resources at the required target amount in accordance with its ORFR strategy. The financial resources held to meet the ORFR target amount must be held either as:

- (a) an operational risk reserve held within an RSE;
- (b) operational risk trustee capital held by the RSE licensee; or
- (c) a combination of both an operational risk reserve held within an RSE and operational risk trustee capital held by the RSE licensee.

Independence and Quality Management

I have complied with the independence and other relevant ethical requirements relating to assurance engagements, and my firm applies Auditing Standard ASQM 1 *Quality Management for Firms that Perform Audits or Reviews of Financial Reports and Other Financial Information, or Other Assurance or Related Services Engagements* in undertaking this assurance engagement.

Independent Assurance Practitioner's responsibilities⁴⁰

My responsibility is to express an opinion on the [trustee's / trustees'] compliance in all material respects with the requirements of the SIS Act, SIS Regulations, APRA reporting standards, *Corporations Act* and *Corporations Regulations* based on the reasonable assurance engagement. My reasonable assurance engagement has been conducted in accordance with ASAE 3100 *Compliance Engagements*. This Standard requires that I comply with relevant ethical requirements and plan and perform my procedures to obtain reasonable assurance whether the [trustee / trustees] of [insert name of the RSE] [has / have], in all material respects complied with the provisions listed in Section B 'Compliance' (to the extent applicable) for the [year ended .../.../... [OR] period .../.../... to .../.../...]*.

My responsibility is also to express an opinion on the [trustee's / trustees'] compliance with their ORFR strategy with respect to maintaining [an operational risk reserve / trustee capital / an operational risk reserve and trustee capital]*(*) at the required target amount for the [year ended .../.../... [OR] period .../.../... to .../.../...].

My procedures in relation to SIS Section 155(2) included assessing the [trustee's / trustees'] controls in place to monitor compliance with Section 155(2). These procedures did not include testing the [trustee's / trustees'] methodology used to calculate the issue or redemption price.

⁴⁰ For Disclaimer of Opinion, replace this section with: "My responsibility is to conduct a reasonable assurance engagement on the [trustee's/ trustees'] compliance with the applicable provisions in accordance with the Standards on Assurance Engagements and to issue an assurance report. However, I was not able to obtain sufficient appropriate evidence to provide a basis for an opinion, because of the matter described in the 'Basis for Disclaimer of Opinion' section of my report."

[Delete paragraph above if the entity is not a public-offer superannuation fund. This statement is mandatory for all public-offer compliance reasonable assurance engagements.]

Inherent limitations

Due to the inherent limitations of any evidence gathering procedures and the internal control framework, it is possible that fraud, error or non-compliance may occur and not be detected. A reasonable assurance engagement is not designed to detect all instances of non-compliance with the applicable SIS Act and SIS Regulations, APRA reporting standards, Corporations Act and Corporations Regulations specified above, as a reasonable assurance engagement is not performed continuously throughout the [period] and does not provide assurance on whether compliance with the applicable SIS Act and SIS Regulations, APRA reporting standards, Corporations Act and Corporations Regulations specified above will continue in the future.

Other Matter - Restriction on use and distribution

This report has been prepared solely for the [trustee / trustees] in order to meet the APRA reporting requirements of the [trustee / trustees]. This report is intended solely for the [trustee / trustees] and APRA (and ASIC where applicable), and should not be distributed to or used by parties other than the [trustee / trustees] and APRA (and ASIC where applicable). I disclaim any assumption of responsibility for any reliance on this report to any party other than the [trustee / trustees] and APRA (and ASIC where applicable), or for any purpose other than that for which it was prepared.

I believe that the evidence obtained is sufficient and appropriate to provide a basis for my *[qualified/adverse]* conclusion.

Other Matter - Restriction on use and distribution

This report has been prepared solely for the *[trustee / trustees]* in order to meet the APRA reporting requirements of the *[trustee / trustees]*. This report is intended solely for the *[trustee/trustees]* and APRA (and ASIC where applicable), and should not be distributed to or used by parties other than the *[trustee/trustees]* and APRA (and ASIC where applicable). I disclaim any assumption of responsibility for any reliance on this report to any party other than the *[trustee / trustees]* and APRA (and ASIC where applicable), or for any purpose other than that for which it was prepared.

[Trustee's / Trustees'] responsibility for controls and compliance

The *[trustee / trustees]* of *[RSE name]* are responsible for:

- (a) the *[trustee's / trustees]* systems, procedures and internal controls that are designed to ensure that the *[trustee has / trustees have]* complied with all applicable prudential requirements⁵⁴, to provide reliable data to APRA as required by the APRA reporting standards, and has operated effectively throughout the *[year ended .../.../... [OR] period .../.../... to .../.../...]*;
- (b) the *[trustee's / trustees]* compliance with its risk management framework, including identification and implementation of controls which will mitigate those risks that prevent the compliance requirements identified above being met and monitor ongoing compliance.

Independence and Quality Management

I have complied with the independence and other relevant ethical requirements relating to assurance engagements, and my firm applies Auditing Standard ASQM 1 *Quality Management for Firms that Perform Audits or Reviews of Financial Reports and Other Financial Information, or Other Assurance or Related Services Engagements* in undertaking this assurance engagement.

Independent Assurance Practitioner's responsibilities⁵⁵

⁵⁴ 'Prudential Requirements' is defined under footnote 13 of *Prudential Standard SPS 220 Risk Management*.

⁵⁵ For Disclaimer of Conclusion, replace this section with: "My responsibility is to conduct a limited assurance engagement as required by SPS 310, described in Scope paragraphs *Part A* to *Part C* of this report, in accordance with Standard on Assurance Engagement ASAE [3100 Compliance Engagements/ 3150 Assurance Engagements on Controls] and to issue an assurance report. However, because of the matter described in the 'Basis for Disclaimer of Conclusion' section of my report, I was not able to obtain sufficient appropriate evidence to provide the basis for a conclusion. I am independent of the RSE in accordance with the ethical requirements of the Accounting Professional

My responsibility is to perform a limited assurance engagement as required by SPS 310, described in Scope paragraphs *Part A to Part C* of this report, and to express a limited assurance conclusion based on the procedures I have performed and the evidence I have obtained.

My limited assurance engagement has been conducted in accordance with applicable AUASB Standards on Assurance Engagements, including ASAE 3100 *Compliance Engagements* and ASAE 3150 *Assurance Engagements on Controls*, in order to express a limited assurance conclusion as described in Scope paragraphs *Part A to Part C* of this report. I have complied with the independence and other relevant ethical requirements relating to a limited assurance engagement.

The procedures I performed were based on my professional judgment and included enquiries of the [*trustee / trustees*] personnel and observation of material control procedures performed; inspection of documents; walk-throughs of material control procedures and evaluating the effectiveness of material control procedures throughout the year.

My reasonable and limited assurance engagements on the APRA reporting forms required under SPS 310 are directed towards obtaining sufficient appropriate evidence to form an opinion and conclusion under the appropriate prudential requirements. These procedures were not designed to enable me to conclude on other matters required by the APRA Prudential Standards. I have therefore performed assurance procedures in order to meet my responsibilities in relation to the design and operating effectiveness of material controls and compliance with specific requirements under the prudential requirements.

Inherent Limitations

A limited assurance engagement⁵⁶ is substantially less in scope as the procedures performed vary in nature and timing from a reasonable assurance engagement conducted in accordance with AUASB Standards on Assurance Engagements. Consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.

Due to the inherent limitations of any internal control structure, it is possible that, even if the controls are suitably designed and operating effectively, the control objectives may not be achieved and so fraud, error, or non-compliance with laws and regulations may occur and not be detected. Further, the internal control structure, within which the controls that we have assured operate, has not been assured and no opinion is expressed as to its design or operating effectiveness.

Furthermore, projections of any evaluation of internal control procedures or compliance measures to future periods are subject to the risk that control procedures may become

and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to my assurance engagement in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code."

⁵⁶ For details, see ASAE 3150 *Assurance Engagements on Controls* paragraph 89(m)(i) and (ii).

inadequate because of changes in conditions, or that the degree of compliance may deteriorate. Consequently, there are inherent limitations on the level of assurance that can be provided.

Accounting records and data relied on for prudential reporting and compliance are not continuously audited and do not necessarily reflect accounting adjustments necessary for end of reporting period financial report preparation, or events occurring after the end of the reporting period.

The conclusions expressed in this report are to be read in the context of the foregoing comments.
