

Reporting Standard HRS 320.0

Liability Roll Forwards

Objective of this Reporting Standard

This Reporting Standard sets out requirements for the provision of information to APRA relating to a private health insurer's reconciliations of insurance contract liabilities required by *AASB 17 Insurance Contracts*. It includes associated specific instructions.

Authority

1. This Reporting Standard is made under section 13 of the *Financial Sector (Collection of Data) Act 2001*.

Purpose

2. The information reported to APRA under this Reporting Standard is used by APRA for the purpose of prudential supervision including assessing compliance with capital standards.

Application and commencement

3. This Reporting Standard applies to all private health insurers. This Reporting Standard applies for reporting periods ~~commencing~~ending on or after 1 July 2023.

Information required

4. A private health insurer must provide APRA with the information required by this Reporting Standard for each reporting period.

Method of submission

5. The information required by this Reporting Standard must be given to APRA:
 - (a) in electronic format using an electronic method available on APRA's website; or
 - (b) by a method notified by APRA prior to submission.

Reporting periods and due dates

6. Subject to paragraph 7, a private health insurer must provide the information required by this Reporting Standard:
 - (a) in respect of the first half-year ending 31 December; and
 - (b) in respect of each financial year ending 30 June.
7. If, having regard to the particular circumstances of a private health insurer, APRA considers it necessary or desirable to obtain information more or less frequently than as provided by subparagraph 6(a) or 6(b), APRA may, by notice in writing, change the reporting periods, or specify reporting periods, for the particular private health insurer.
8. The information required by this Reporting Standard must be provided to APRA:
 - (a) in the case of half-yearly information, within 20 business days after the end of the reporting period to which the information relates;
 - (b) in the case of annual information, by 30 September each year; or
 - (c) in the case of information provided in accordance with paragraph 7, within the time specified by notice in writing.
9. APRA may, in writing, grant a private health insurer an extension of a due date, in which case the new due date will be the date on the notice of extension.

Note: For the avoidance of doubt, if the due date for a particular reporting period falls on a day other than a usual business day, a private health insurer is nonetheless required to submit the information required no later than the due date.

Quality control

10. All information provided by a private health insurer under this Reporting Standard must be subject to systems, processes and controls developed by the private health insurer for the internal review and authorisation of that information. It is the responsibility of the Board and senior management of the private health insurer to ensure that an appropriate set of policies and procedures for the authorisation of information submitted to APRA is in place.

Annual audit requirements

11. The information submitted for the purposes of paragraph 8(b) is to be subject to external audit to ensure consistency with the private health insurer's statutory financial accounts and faithful application of the capital standards.
12. Audit certification and opinion must be provided to APRA by 30 September each year.
13. If a private health insurer received a qualified auditor's report for a private health insurer for the year previous to the year for which the report is provided, the report for the year for which the report is provided must state whether the auditor has examined the issues identified and is satisfied that the private health insurer has taken the appropriate steps to rectify the matters raised in the previous report.

14. The auditor's report must:
- (a) state details of the program adopted to carry out the audit; and
 - (b) include the name of, and be signed by, the auditor who takes responsibility for the accuracy of the report.

Authorisation

15. A person who submits the information required under this Reporting Standard must be suitably authorised by an officer of the private health insurer.

Variations

16. APRA may, in writing, vary the reporting requirements of this Reporting Standard in relation to a private health insurer.

Interpretation

17. In this Reporting Standard:
- (a) unless the contrary intention appears, words and expressions have the meanings given to them in *Prudential Standard HPS 001 Definitions* (HPS 001); and
 - (b) the following definitions are applicable:
 - AASB** references relate to the Australian Accounting Standards made by the Australian Accounting Standards Board;
 - APRA** means the Australian Prudential Regulation Authority established under the *Australian Prudential Regulation Authority Act 1998*;
 - capital standards** means the prudential standards which relate to capital adequacy as defined in HPS 001;
 - officer** has the same meaning as in the *Private Health Insurance (Prudential Supervision) Act 2015*;
 - private health insurer** has the same meaning as in the *Private Health Insurance (Prudential Supervision) Act 2015*; and
 - reporting period** means a period mentioned in paragraph 6 or, if applicable, paragraph 7.
18. Unless the contrary intention appears, a reference to an Act, Prudential Standard, Reporting Standard, Australian Accounting or Auditing Standard is a reference to the instrument as in force from time to time.

Reporting Standard HRS 320.0

Liability Roll Forwards

General instructions

These instructions assist completion of the *Reporting Standard HRS 320.0 Liability Roll Forwards*, which collects information relating to reconciliations of insurance contract liabilities required by *AASB 17 Insurance Contracts* (AASB 17). These instructions also apply to roll forwards of assets for insurance acquisition cash flows and reinsurance contracts held.

Reporting tables

Tables described in this reporting standard list each of the data fields required to be reported. The data fields are listed sequentially in the column order that they will appear in the reported data set. Constraints on the data that can be reported for each field have also been provided.

General accounting basis

Unless otherwise specifically stated, reporting insurers are to report in accordance with the relevant Australian Accounting Standards.

References to Australian Accounting Standards

Each item reported under this Reporting Standard aligns with the Accounting Standards made by the Australian Accounting Standards Board (AASB). The applicable AASB references are specified with each item. AASB reference provides a written description of the accounting meaning of an IFRS Taxonomy element.

IFRS taxonomy element reference

Each IFRS taxonomy element contains at least one cross-reference to an AASB Standard (that incorporates IFRS 17 Standards as issued and amended by the International Accounting Standards Board) and has a reference type that can be used to identify the source of that element. The IFRS Taxonomy uses the following element reference types:

- (a) disclosure—an element of this type depicts a presentation or disclosure requirement of an IFRS/AASB Standard;
- (b) example—an element of this type represents an example provided in an IFRS/AASB Standard or its accompanying materials; and
- (a) common practice—an element of this type reflects common reporting practice within IFRS/AASB financial statements. They are not specifically mentioned in IFRS/AASB Standards or their accompanying materials, but are consistent with IFRS/AASB Standards. They have been found to be frequently disclosed across a range of companies and accounting jurisdictions.

Definitions

Terms highlighted in ***bold italics*** indicate that the definition is provided in this Reporting Standard.
