Dear Mr Garrett

Australian Prudential Regulation Authority v Andrew Morton Garrett NSD: 741/2023

I refer to the above proceedings. As you are aware they are listed for an interlocutory application at 9am tomorrow morning at which APRA will be seeking orders in the form **attached**.

Please advise:

1. Do you intend to have legal representation? If so please provide their name and contact information.
2. Do you intend to appear at the hearing via video link?
3. Do you consent to the attached orders we are seeking?

We will email the court this afternoon attaching the minute of orders and will copy you into that correspondence. If you would like to attend the hearing virtually, we will seek provisions for an audio visual link to be made available. Alternatively, you are able to appear in person or through a solicitor.

Separately, please be advised that APRA has issued the **attached** media release this afternoon.

Should you have any queries, please do not hesitate to contact us.

Regards
