This document has been prepared in response to FOI Request 26-12 and figures were obtained and reconciled in December 2025.

Details of APRA's current contacts for Plant Hire and Maintenance can be found at [www.tenders.gov.au](http://www.tenders.gov.au)

APRA's Emissions Reduction Plan states that APRA will ensure that the buildings we occupy meet the National Australian Built Environment Rating System (NABER) requirements for contemporary government buildings. We have indoor plants as part of our NABER requirements, and to promote health and wellbeing.
