

## The new Data Collection Solution: Update 5

5 July 2018

Dear subscriber,

### **Subject: APRA's new Data Collection Solution – update 5**

Since our last update, APRA has reviewed the feedback received from our engagement activities, including responses to the [‘Key items for stakeholder consideration’](#) document.

Over 2,200 comments are being analysed and the key insights will be included in our response to industry, to be released mid-year. This will be followed later this year by a Request for Tender to provide the new solution in line with the requirements outlined in our response to industry.

The Strategic Industry Reference Group and Technical Working Group have now been formed. The dates for the first meetings and the participants are as follows:

#### **Strategic Industry Reference Group**

First meeting: 2 July 2018

Industries represented: Small and large authorised deposit-taking institutions general insurance, life insurance, private health insurance, superannuation and software.

Other participants: ABS, ASIC, RBA

#### **Technical Working Group**

First meeting: 9 July 2018

Industries represented: Small and large authorised deposit-taking institutions, general insurance, life insurance, private health insurance and superannuation.

APRA will also establish a separate Software Vendors Working Group. Further information on this group will be provided in our response to industry. The first meeting will be held later this year.
