

Reporting Standard ARS 721.0

ABS/RBA Repurchase Agreements and Securities Lending

Objective of this Reporting Standard

This Reporting Standard outlines the requirements for the provision of information to APRA relating to an authorised deposit-taking institution's or registered financial corporation's repurchase agreements and securities lending.

It includes *Reporting Form ARF 721.0A ABS/RBA Repurchase Agreements and Securities Lending (Option A)* and *Reporting Form ARF 721.0B ABS/RBA Repurchase Agreements and Securities Lending (Option B)* and the associated specific instructions.

Authority

1. This Reporting Standard is made under section 13 of the *Financial Sector (Collection of Data) Act 2001.*

Purpose

- 2. Information collected by *Reporting Form ARF 721.0A ABS/RBA Repurchase Agreements and Securities Lending (Option A)* (ARF 721.0A) and *Reporting Form ARF 721.0B ABS/RBA Repurchase Agreements and Securities Lending (Option B)* (ARF 721.0B) is used by the *ABS* and *RBA* for various purposes, including the compilation of Australia's National Accounts. Aggregated data will be provided to the Financial Stability Board and may also be published.
- 3. This Reporting Standard is an Economic and Financial Statistics (EFS) Reporting Standard for the purposes of paragraph 3 of *Reporting Standard ARS 701.0 ABS/RBA Definitions for the EFS Collection* (ARS 701.0).

Application and commencement

4. This Reporting Standard applies to an *authorised deposit-taking institution (ADI)* or *registered financial corporation (RFC)* as set out in the table below.

Class of financial institution	Applicable
Banks	Yes if repos & securities lending \geq \$1b

Non-bank ADIs	Yes if repos & securities lending \geq \$1b
RFCs	Yes if repos & securities lending \geq \$1b

Where 'repos and securities lending' is measured by the sum of the values reported in items 10.4 and 18.6 on *Reporting Form ARF 720.0A/B Statement of Financial Position* (*Banks & RFCsStandard*)/(*Non-bank ADIsReduced*) (ARF 720.0A/B).

- 5. *APRA* may from time to time determine that a higher threshold will apply to a particular *ADI* or *RFC* than that specified in paragraph 4 of this standard and if *APRA* does so it will notify the *ADI* or *RFC* concerned in writing.
- 6. This Reporting Standard applies for reporting periods ending on or after 30 September 2019.

Information required

- 7. An *ADI* or *RFC* to which this Reporting Standard applies must provide *APRA* with the information required by this Reporting Standard for each reporting period at a *domestic books* consolidation.
- 8. An *ADI* or *RFC* must complete either ARF 721.0A or ARF 721.0B.

Method of submission

9. The information required by this Reporting Standard must be given to *APRA* in electronic form using the 'Direct to APRA' (also known as 'D2A') application, or by a method notified by *APRA* in writing prior to submission.

Note: the 'Direct to APRA' application software may be obtained from APRA.

Reporting periods and due dates

- 10. The information required by this Reporting Standard must be provided in respect of each calendar month by an *ADI* or *RFC* to which this Reporting Standard applies under paragraphs 4 and 5.
- 11. The information required by this Reporting Standard must be provided to *APRA* within 15 business days after the end of the *reporting period* to which the information relates.
- 12. *APRA* may, by notice in writing, change the *reporting periods*, or specified *reporting periods*, for a particular *ADI* or *RFC*, to require it to provide the information required by this Reporting Standard more frequently, or less frequently, having regard to:
 - (a) the particular circumstances of the *ADI* or *RFC*; and
 - (b) the extent to which the information is required for the purposes of the ABS or RBA.
- 13. *APRA* may grant an *ADI* or *RFC* an extension of a *due date*, in writing, in which case the new *due date* for the provision of the information will be the date on the notice of extension.

Quality control

- 14. All information provided by an *ADI* or *RFC* under this Reporting Standard must be the product of systems, processes and controls that have been reviewed and tested by the external auditor of the *ADI* or *RFC* as set out in *Prudential Standard APS 310 Audit and Related Matters* for *ADIs* or *Reporting Standard RRS 710.0 ABS/RBA Audit Requirements for Registered Financial Corporations* for *RFCs*. Relevant standards and guidance statements issued by the Auditing and Assurance Standards Board provide information on the scope and nature of the review and testing required from external auditors. This review and testing must be done on an annual basis or more frequently if required by the external auditor to enable the external auditor to form an opinion on the accuracy and reliability of the information provided by an *ADI* or *RFC* under this Reporting Standard.
- 15. All information provided by an *ADI* or *RFC* under this Reporting Standard must be subject to systems, processes and controls developed by the *ADI* or *RFC* for the internal review and authorisation of that information. These systems, processes and controls are to assure the completeness and reliability of the information provided.

Authorisation

16. When an officer or agent of an *ADI* or *RFC* provides the information required by this Reporting Standard using the 'Direct to APRA' application, it will be necessary for the officer or agent to digitally sign the relevant information using a digital certificate acceptable to *APRA*.

Minor alterations to forms and instructions

- 17. *APRA* may make minor variations to:
 - (a) a form that is part of this Reporting Standard, and the instructions to such a form, to correct technical, programming or logical errors, inconsistencies or anomalies; or
 - (b) the instructions to a form, to clarify their application to the form

without changing any substantive requirement in the form or instructions.

18. If *APRA* makes such a variation it must notify in writing each *ADI* or *RFC* that is required to report under this Reporting Standard.

Interpretation

- 19. ARS 701.0 applies to this Reporting Standard.
- 20. In this Reporting Standard:

ABS means the Australian Bureau of Statistics established under the Australian Bureau of Statistics Act 1975

APRA means the Australian Prudential Regulation Authority established under the Australian Prudential Regulation Authority Act 1998.

due date means the last day of the 15 business days provided for in paragraph 11 or, if applicable, paragraph 13.

reporting period means a month of a year as provided for in paragraph 10 or, if applicable, paragraph 12.

21. Unless the contrary intention appears, any reference to an Act, Prudential Standard, Reporting Standard, Australian Accounting or Auditing Standard (including related guidance) is a reference to the instrument as in force or existing from time to time.

Reporting Form ARF 721.0A

ABS/RBA Repurchase Agreements and Securities Lending (Option A)

Instructions

These instructions assist completion of *Reporting Form ARF 721.0A Repurchase Agreements* and Securities Lending (Option A) (ARF 721.0A). ARF 721.0A collects information relating to the stock of *repurchase agreements* (*repos*) and *reverse repos*, and *securities lending* and *securities borrowing* by *ADIs* and *RFCs*.

Information reported in ARF 721.0A is required primarily for purposes of the *ABS* and the *RBA*. This information is required for various purposes, including the compilation of Australia's National Accounts and the provision of aggregated information to the Financial Stability Board. This information may also be used by *APRA* for prudential and publication purposes.

Reporting level

ARF 721.0A or ARF 721.0B must be completed by each ADI and RFC to which this reporting standard applies under paragraphs 4 and 5. The choice of option is at the discretion of the ADI or RFC; however, any change in the option selected must be communicated to APRA in advance.

Reporting basis and unit of measurement

These instructions specify the reporting basis and unit of measurement that applies to each item.

For reporting purposes, unless specified otherwise, data are to be entered as a positive number.

Report items on ARF 721.0A as at the end of the *reporting period*.

Counterparties

Include *repurchase agreements (repos)* and *securities lending* arrangements with both *residents* and *non-residents*.

Include *repos* and *securities lending* arrangements where the counterparty is either a *related party* or a *non-related party*. *Repos* and *securities lending* arrangements with entities that are consolidated within *domestic books* must not be reported.

Repurchase agreements and securities lending

Report all *repurchase agreements* and *securities lending* conducted in a principal capacity by the *ADI* or *RFC* on this form, whether the transaction is *intermediated* or not. Exclude *repurchase agreements* and *securities lending* conducted by the *ADI* or *RFC* acting as an agent for one or more third-party principals from reporting on this form.

Report *collateral* administered through a *tri-party agent* on the basis of an end-month report from the *tri-party agent*.

All *principal amounts* in relation to *repurchase agreements* and *securities lending* arrangements refer to the cash consideration (post-haircut) on the initial leg of a *repo* or *securities loan* contract.

All *collateral market values* in relation to *repurchase agreements* and *securities lending* arrangements refer to the *market value* on *collateral* pre-haircut.

Values

Report monetary amounts on ARF 721.0A in Australian dollars or the Australian dollar equivalent of the foreign currency amount.

Report closing balances at market prices effective at the reference date. Where denominated in foreign currency, convert *market values* in foreign currency to AUD at the spot rate effective as at the reference date.

Report values on ARF 721.0A as millions of dollars to 3 decimal places for *banks* and thousands of dollars for *non-bank ADIs* and *RFCs*.

Specific instructions

Terms highlighted in *bold italics* are defined in ARS 701.0.

All derived fields in the form are shaded in grey and are explained in words as a mathematical expression in these instructions.

Examples included under 'Include' and 'Exclude' must not be taken as an exhaustive list of items to be included or excluded.

Each *repo*, *reverse repo*, *securities lending* transaction and *securities borrowing* transaction must be assigned a *unique transaction identification number* for reporting purposes.

1. Repo stocks – repo characteristics

Item 1 collects information on *repos* outstanding as at the end of the *reporting period*. Characteristics of each *repo* must be reported against the *repo's unique transaction identification number*. Each *repo* must only be reported once in item 1.

Column 1	Report the <i>unique transaction identification number</i> .

Reporting Form ARF 721.0B

ABS/RBA Repurchase Agreements and Securities Lending (Option B)

Instructions

These instructions assist completion of *Reporting Form ARF 721.0B Repurchase Agreements* and Securities Lending (Option B) (ARF 721.0B). ARF 721.0B collects information relating to the stock of *repurchase agreements* (*repos*) and *reverse repos*, and *securities lending* and *securities borrowing* by *ADIs* and *RFCs*.

Information reported in ARF 721.0B is required primarily for purposes of the *ABS* and the *RBA*. This information is required for various purposes, including the compilation of Australia's National Accounts and the provision of aggregated information to the Financial Stability Board. This information may also be used by *APRA* for prudential and publication purposes.

Reporting level

ARF 721.0A or ARF 720.1B must be completed by each ADI and RFC to which this reporting standard applies under paragraphs 4 and 5. The choice of option is at the discretion of the ADI or RFC; however, any change in the option selected must be communicated to APRA in advance.

Reporting basis and unit of measurement

These instructions specify the reporting basis and unit of measurement that applies to each item.

For reporting purposes, unless specified otherwise, data are to be entered as a positive number.

Report items on ARF 721.0B as at the end of the *reporting period*.

Counterparties

Include *repurchase agreements (repos)* and *securities lending* arrangements with both *residents* and *non-residents*.

Include *repos* and *securities lending* arrangements where the counterparty is either a *related party* or a *non-related party*. Exclude *repos* and *securities lending* arrangements with entities that are consolidated within *domestic books*.

Repurchase agreements and securities lending

Report all *repurchase agreements* and *securities lending* conducted in a principal capacity by the *ADI* or *RFC* on this form, whether the transaction is *intermediated* or not. Exclude *repurchase agreements* and *securities lending* conducted by the *ADI* or *RFC* acting as an agent for one or more third-party principals from reporting on this form.

Report *collateral* administered through a *tri-party agent* on the basis of an end-month report from the *tri-party agent*.

All *principal amounts* in relation to *repurchase agreements* and *securities lending* arrangements refer to the cash consideration (post-haircut) on the initial leg of a *repo* or *securities loan* contract.

All *collateral market values* in relation to *repurchase agreements* and *securities lending* arrangements refer to the *market value* on *collateral* pre-haircut.

Values

Report monetary amounts on ARF 721.0B in Australian dollars or the Australian dollar equivalent of the foreign currency amount.

Report closing balances at market prices effective at the reference date. Where denominated in foreign currency, convert *market values* in foreign currency to AUD at the spot rate effective as at the reference date.

Report values on ARF 721.0B as millions of dollars to 3 decimal places for *banks* and thousands of dollars for *non-bank ADIs* and *RFCs*.

Specific instructions

Terms highlighted in *bold italics* are defined in ARS 701.0.

All derived fields in the form are shaded in grey and are explained in words as a mathematical expression in these instructions.

Examples included under 'Include' and 'Exclude' must not be taken as an exhaustive list of items to be included or excluded.

1. Repos and reverse repos outstanding

Item 1 collects information on *repos* and *reverse repos* outstanding as at the end of the *reporting period* by *repo* counterparty, type of *collateral* provided or received, the *residual maturity* of the *repo* or *reverse repo* and the type of *collateral* management employed.

Column 1	Report according to the counterparty of the <i>repo</i> or <i>reverse repo</i> (see item 1 for further details).
Column 2	Report according to the <i>collateral</i> provided in the <i>repo</i> or received in the <i>reverse repo</i> (see item 1 for further details).
Column 3	Report according to the <i>residual maturity</i> of the <i>repo</i> or <i>reverse repo</i> (see item 1 for further details).
Column 4	Report according to the <i>collateral</i> management method employed (see item 1 for further details).
Column 5	Report according to whether the cash was borrowed under <i>repo</i> or lent under <i>reverse repo</i> (see item 1 for further details).

Column <u>5</u> 6	Report the value of cash borrowed under <i>repos</i> -or the value of cash lent under <i>reverse repos</i> .SBR: accounting type credit (liability)
Column <u>6</u> 7	Report the <i>market value</i> of <i>collateral</i> sold or purchased-under <i>repos-or reverse repos</i> . SBR: accounting type credit (liability)
Column 7	Report the value of cash lent under <i>reverse repos</i> .SBR: accounting type debit (asset).
Column 8	Report the market value of collateral purchased under reverse repos.SBR: accounting type debit (asset).

Item 1	Report <i>repos</i> and <i>reverse repos</i> outstanding as at the end of the <i>reporting period</i> for each combination of counterparty type, <i>repo collateral</i> provided or received, <i>residual maturity</i> of the <i>repo</i> , <i>collateral</i> management type and whether the position is a <i>repo</i> or a <i>reverse repo</i> .
