Instructions

These instructions assist completion of *Reporting Form ARF 745.0 ABS/RBA Personal Finance* (ARF 745.0). ARF 745.0 collects information relating to the provision of finance to *households* for *personal* purposes by *ADIs* and *RFCs*.

Information reported in ARF 745.0 is required primarily for purposes of the *ABS* and the *RBA*. This information is required for various purposes, including policy and statistical purposes. Published aggregate statistics from this collection are used for research and policy formulation by a range of interested parties, including economists, State and Federal Governments, and the private sector. Information reported in ARF 745.0 may also be used by *APRA* for prudential and publication purposes.

Reporting level

ARF 745.0 must be completed by each *ADI* and *RFC* to which this Reporting Standard applies under paragraphs 4 and 5.

Reporting basis and unit of measurement

These instructions specify the reporting basis and unit of measurement that applies to each item.

For reporting purposes, unless specified otherwise, enter data as a positive number.

Counterparties

For the purposes of this form, report only finance to *households* for *personal* purposes.

For the purposes of this form, *households* may exist in either the *resident* or *non-resident* sectors.

Positions with *resident* and *non-resident households* are collected separately.

Types of finance

For the purposes of this form, finance includes:

- *loans*; and
- *finance leases*.

When reporting *borrower-accepter commitments*, report only that finance where the legal lender on the contract is an entity included in the *domestic books* consolidation of the *ADI* or *RFC*.

When reporting information on the stock of outstanding finance (e.g. *credit outstanding*), only include finance that is held on-balance sheet, unless otherwise directed.

Reporting by purpose

Classify finance at the lowest level at which it is able to be identified; the purpose that the funds will be used for determines whether (and where) it is reported on this form. Where finance (identified at the lowest available level) is to be used for more than one purpose, classify that finance to its predominant purpose (based on the purpose for which the largest share of the funds will be used).

Unless otherwise specifically stated, information reported on this form must comply with Australian Accounting Standards.

Report monetary amounts on ARF 745.0 in Australian dollars or the Australian dollar equivalent of the foreign currency. Convert amounts denominated in foreign currency to AUD in accordance with *AASB 121 The Effects of Changes in Foreign Exchange Rates*.
