

Prudential Standard HPS 001

Definitions

Objectives and key requirements of this Prudential Standard

This Prudential Standard defines key terms referred to in other prudential standards which are applicable to private health insurers. All prudential standards applicable to private health insurers must be read in conjunction with this Prudential Standard.

Authority

1. This Prudential Standard is made under subsection 92(1) of the *Private Health Insurance (Prudential Supervision) Act 2015* (the Act).

Application

2. This Prudential Standard commences on 1 April 2018.
3. Unless the contrary intention appears, definitions in this Prudential Standard apply to all prudential standards made under subsection 92(1) of the Act (collectively ‘HI Prudential Standards’).
4. In this Prudential Standard, unless the contrary intention appears, a reference to an Act, Regulations or Prudential Standard is a reference to the Act, Regulations or Prudential Standard as in force from time to time.

Definitions

5. Key terms in the HI Prudential Standards are defined as follows:

APRA must consider the quantum of the proposed issue and the timing for draw down, in making its decision on approval. APRA must consider that Approved loss absorbing subordinated debt must be created by a debt instrument or agreement which meets and continues to meet the following terms and conditions:

- (a) it must comprise a mechanism which specifies the conditions and process for loss absorption, through diminution of value, conversion or other means, of the instrument or agreement on a going concern basis, such that prior to non-compliance with *Prudential Standard HPS 110 Capital Adequacy* (HPS 110) the value of the debt would be reduced to the relevant extent, and if necessary exhausted; and
- (b) it must have a minimum term of 10 years from the commencement of the loan; and
- (c) there must be no circumstances where repayment may be accelerated or called at the lender’s or any third party’s option; and
- (d) interest payments must not be payable where the payment of these would cause the fund to breach the requirements of HPS 110; and

- (e) interest payment obligations may be capitalised and interest may be charged on capitalised interest; and
- (f) capital repayments must not be made where repayment would cause the fund to breach the requirements of HPS 110; and
- (g) delayed capital repayments may be subject to continuing interest charges on the interest charge and repayment conditions specified in this paragraph.
