**Importance:** High

Hi Section 22

I have just been to the Rainbow Regulators meeting where Section 22 from PID was also in attendance. Section 22 is able to source an additional 1 or 2 speakers for us if need be, so can perhaps catch up tomorrow and ascertain if we need to tap Section 22 on the shoulder for speakers.

Section 22 let us know if the ex APRA staff member is available on the day 26<sup>th</sup> at 10:00am. Would be really good to get at least 1 speaker who has a connection to APRA.

Section 22 and I chatted today and I think the topic is good and gives latitude for panel members. I will set up time with you to chat tomorrow re managing Section 47F etc.

Regards

Hi team,

With the time and date for the event locked in with Section 47F, comms sent out, and the speaker from Pride in Diversity confirmed, I would now like to confirm the remainder of the speakers.

As per my email below:

- Section 22 – can you please let us know Section 22 interest in participating.
- Section 22 you mentioned a potential ex-APRA employee who might be interested. Can you please let us know what her thoughts were?

As these are our preferred speakers, depending on your responses, I can also try to mobilise some other participants.

Many thanks for your help,

Subject: Lesbian Visibility Day [SEC=OFFICIAL]

Hi team,

As we are running out of runway I would like to touch base with the team to confirm details to action:

Theme: my proposal is to focus on why the day exists, contemporary challenges of lesbian visibility in the workplace, sharing stories and experiences, and intersectionality with gender more broadly.

Date/time: the team previously expressed a preference for Section 47F to host the event. Our previous enquiry for availability went to Section 47F directly, including details of the event such as theme, speakers etc.

Location: my preference is in person in Sydney with virtual joiners in other locations, however I will need assistance with booking rooms etc.

**All**: please confirm you are OK with the proposed theme by COB Friday.

Section 22 based on how the World AIDS Day event was organised, please advise if going to Therese would be the best approach. Either way I can draft the email with potential details of the event.

Speakers: potential speakers include:

- A person from Pride in Diversity/Sapphire Network: I can liaise with Section 22 once date/time are confirmed with Section 47F etc.
- Section 22 - Section 22 – can you please let us know Section 22 interest in participating.
- A contact from within the Rainbow Regulators: once date/time confirmed, I can liaise with Section 22 to source another participant.
- Section 22 you mentioned a potential ex-APRA employee who might be interested. Can you please let us know what her thoughts were?
- Depending on how our other options play out, I can reach out to other potential participants.

Please feel free to let me know if you have any other comments or questions.

Many thanks,
