Hi Section 22

I hope you're well.

At the Planning Day this Friday I will be facilitating a session which includes a description of the different roles in the network. It would be great if each person who holds a specific role in the network could present a very quick summary (1-2 minutes) of what their role is / involves.

Would you be happy to present a quick summary of your role as Chair of the Rainbow Regulators as part of this session?

Could you let me know as soon as possible so that I can plan the session.

Thanks
